Mission statement: The mission of the York County Children's Advocacy Center is to reduce the trauma of child abuse investigations, foster professional collaboration and cooperation and promote education and advocacy regarding the prevention of child abuse within the community.

YOU can do something about child abuse in your own community.

By supporting the York County Children's Advocacy Center, you help to:

- Provide a coordinated response between law enforcement, child protective services and prosecution for each child abuse investigation
- Ensure that children and families are referred to aftercare, including medical exams and therapy

We hope that you can join us for this fun filled event. If you are unable to attend, please consider a donation to our silent auction. If you have a group that would like to attend, please consider a sponsorship. The Children's Advocacy Center appreciates your support and we look forward to seeing you on April 17th for Wine, Beer and FUNdraising!
