Look Who's Been Working Their Tail Off

The York County CAC would like to thank Kim Hine for over 6 years of service, beginning in 2015. During this time, she has worked in the roles of Forensic Interviewer, Forensic Interviewing Program Supervisor, and most recently, Family Advocacy and Education Program Supervisor. These roles all provided significant support to the children and families seeking service at the CAC. During Kim's tenure, she has taken on many administrative and program functions, including coordinating the annual MDIT Training, which serves to educate many community partners of the CAC. Thank you Kim, for working your tail off throughout your time at the CAC. We will miss Kim at the York County CAC, and we wish her the best in this next chapter.

March is National Social Worker Month

Thank you to all of the social workers that are a part of our child abuse investigative team and those that provide support services to victims and their families! We could not do this work without you!

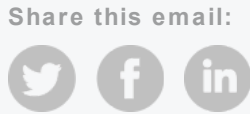

Give Local York

In 2020, Give Local York made history by raising \$3.5 MILLION for more than 300 nonprofits in our community. The CAC is grateful for the \$6500 donated to our agency during the event! Mark your calendars for **May 7, 2021** as Give Local York returns and we work together to make this the biggest day of giving in York County history!
